ABOUT

Giorgia Mondani is an entrepreneur, founder, luxury watch expert and internationally recognized content creator. She is the Founder of Mondani Web, one of the world's leading networks for trusted watch dealers, connecting hundreds of professional retailers across more than 50 countries. She is also the Founder of Giorgia Mondani Agency, a communication and events agency specializing in luxury brands, exclusive experiences, and strategic networking. Through her businesses, Giorgia connects luxury brands with collectors, entrepreneurs and decision-makers by creating premium content, exclusive experiences and strategic relationships. Giorgia is also the co-author of the internationally acclaimed Mondani Books, widely recognized as the leading reference literature for watch collectors, professionals, auction houses, and enthusiasts worldwide. Over the years, she has established herself as one of the most influential voices in the luxury watch industry, combining technical expertise, market knowledge, and entrepreneurial vision with an authentic and engaging communication style.
